Injector Cleaner Plus

Specially formulated to clean the fuel system and improve performance:

- Restores lost power and performance.
- Optimizes injector spray patterns.
- Cleans and maintains injectors, plugs, valves, and upper cylinders.
- Improves fuel burn in combustion.
- Significantly reduces smoke and engine fouling.

BEFORE

AFTER

Gasoline Injector Cleaner

Cleans 'as new':

- Injectors
- Valves, Ports
- Fuel pumps
- Combustion chambers
- Removes moisture

Safe to use:

- All injectors, pumps, and gasoline fuel systems.
- Lubrication protects and helps prevent pump and injector failure.

Injector Cleaner

Provides **clean-burn** to your engine
Result: reduced tail pipe emissions.

Good for all grades of gasoline.

Stabilizes gasoline for 3 years.

Prevents fuel degradation.
